Double the layer, double the protection. The all-new Hybrid Armor consists of a shock-absorbent layer with a rigid outer shell for maximum defense. Hybrid Armor is unique as it features an ergonomic, non-slip grip along with smooth curves to ensure comfort. Raised lips are strategically placed to guarantee reliable camera and back protection. Hybrid Armor is crafted to provide the ultimate durable defense.

- Dual-layered structure serves to deliver double the defense
- Improved design to ensure a secure and comfortable grip
- Raised lips strategically placed for camera and back protection
- Air Cushion Technology in all corners for reliable defense
- Compatible with Spigen GLAS.tR SLIM screen protector
