Targus Urban Commuter Backpack is your go-to bag Monday through Sunday. The outdoor inspired design features a padded laptop compartment and room for a tablet, phone, accessories and personal belongings, whether you're commuting to work or going away for the weekend the water repellent material ensures your belongings are protected against the weather. Our unique AIR X FLOW back padding boosts airflow to keep you comfortable and cool and reflective panels help you stay visible in the dark.

- Tech backpack, 22L capacity with built-in laptop
- Water-repellent fabric ensures water runs off the bag instead of soaking through it & waterproof base protects against puddles
- AIR X FLOW back padding maximises the circulation of air between the bag and your back to stay cool
- Keep safe with smart reflective panels
- Adjustable padded shoulder straps and chest strap ensure even weight distribution
- Mesh water bottle pocket
