Targus Urban Explorer Laptop Backpack is your go-to bag Monday through Sunday. The outdoor inspired design features a padded laptop sleeve and room for a tablet, phone, accessories and personal belongings, whether commuting to work or away for the weekend the water repellent material ensures your belongings are protected against the weather. Our unique AIR X FLOW back padding boosts airflow to keep you comfortable and cool. Ideal for cyclists with compression straps which can be tightened to maintain a slim profile and reflective panels help you stay visible in the dark, a discreet whistle on the chest strap also means you can call attention to yourself if you need to.

- Tech backpack, 24L capacity with built-in laptop
- Water-repellent fabric ensures water runs off the bag instead of soaking through it & waterproof base protects against puddles
- Keep safe: Smart reflective panels, discreet whistle & loops for bike lights
- AIR X FLOW back padding maximises the circulation of air between the bag and your back to stay cool
- Velcro utility straps provide additional accessory storage on front of backpack
- Adjustable padded shoulder straps and chest strap ensure even weight distribution
- Mesh water bottle pocket
