Never get caught without power for your phone or tablet again with this combined charger and power bank. Recharge your device over USB and charge up the power bank, ready for on-the-go charging, from the mains plug. Use with all your USB-A charged devices including tablets, phones and wearables. This charger is supplied with 4 interchangeable plugs making it ideal for travel across the EU, UK, US & Australia.

- Press the release button on the bottom to switch plugs
- The 2100mAh power bank delivers enough power to give a 100% charge for most phones
- Interchangeable plugs included - ideal for travel in EU, UK, US & Australia
- Slim two-piece design makes it ideal for travel - detach the power bank from the plug and only take the power bank with you
- Charges your device in full before topping up power bank
- For use with all USB-A charged devices including tablets, phones & wearables
- USB wall charger & power bank in one - charge and recharge on the go
