Designed for year-round use, the backpack is made from water-resistant material and the bottom panel is constructed of scratch-resistant nylon for durability. The comfortable back panel and contoured shoulder straps provide all-day comfort and feature a breathable lining to allow for ventilation. This well thought out backpack is designed to carry laptops with up to 16" screens and this has several accessory pockets including a soft-lined, quick access pocket - perfect for storing sunglasses or smartphone. The Elite backpack has loads of storage and features a well-padded laptop compartment, 3 zippered compartments and a dedicated soft-lined pocket for a 10" tablet. To organize your belongings, the backpack features 2 pen holders, 4 slip pockets and a vertical front pocket - perfect for stashing your keys.
