## Messenger universal 12-inch - Universal Mobile Keyboard & Stand

- Universal compatibility and Bluetooth® capability syncs with Apple, Android, and Windows operating systems as well as with virtually any computer, tablet, or smartphone.
- Island-style keys in an 8-inch or 12-inch typing area\* offer a natural typing experience so you can email, take notes, and blog faster.
- Magnets secure the cover when not in use and activate the keyboard's sleep/wake function to help preserve battery life and ensure you can enjoy up to three months of typing between charges\*\*.
- The built-in stand provides an ideal viewing angle for any device.
- A durable cover provides a secure grip and protects your keyboard when not in use.
