MEET THE MESSENGER FOLIO

Now everyone can enjoy easy, comfortable mobile typing. The ZAGG Messenger Folio delivers the same natural typing experience you expect from Zagg keyboards - at a price that's right for anyone. Perfectly spaced, island-style keys respond just like a laptop keyboard so you can email, blog, take notes, and more - quickly and naturally. The full-width kickstand provides a stable platform and holds the Messenger at an ideal viewing angle. Plus, the Messenger Folio is covered in stylish fabric that looks great on the go, in the office, or in the classroom.

Types Just Like a Laptop

With comfortable, island-style keys, the Messenger Folio feels just like a laptop keyboard so you can email, blog, and take notes with ease.

The Perfect Price

At \$59.99, the Zagg Messenger Folio brings the best mobile typing experience to any classroom, boardroom, or trip.

Ideal Viewing Angle

The full-width kickstand provides stability and an ideal viewing angle that's perfect for typing or watching your favorite show.

Design That Stands Out

An intuitive design enhances your tablet by quickly snapping into place while its stylish fabric cover stands out in style.
