## MEET THE MESSENGER UNIVERSAL

The ZAGG Messenger Universal Keyboard is the premium solution for fast, comfortable mobile typing - without the premium price. It offers the same typing experience that has made Zagg keyboards famous, so you can email, blog, and take notes just like you do on a traditional keyboard.

### Type Faster

Island-style keys and a spacious typing area offer a laptop-like typing experience so you can email, take notes, and blog faster.

### Three-Month Battery

The Messenger Universal features a powerful, rechargeable battery and a sleep/wake function that preserves its battery so you can enjoy up to three months of typing between charges.

### The Perfect View

The built-in stand provides an ideal viewing angle for all your favorite devices; plus, it folds flat to cover and help protect your keyboard.
