Arm your workers with advanced, real-time, hands-free mobile computing with the Motorola WT41N0 Wearable Terminal. This rugged device will allow you to achieve maximum error-proof productivity, operational efficiency and accuracy through voice compatibility for streamlined warehouse and package handling functions.

Ergonomic, hands-free wearable design

Award-winning design increases user comfort and productivity.

High-performance next generation platform

Best-in-class dual core processor provides the power to run virtually any enterprise application.

802.11 a/b/g/n WLAN

Easily connects to existing WLAN for fast integration; 802.11n and support for advanced Motorola Solutions' WLAN features greatly improve wireless network bandwidth, performance and reliability, while reducing power consumption and improving voice performance.

Supports text-only, voice-only and combination text and voice applications

Eliminates the effort and cost associated with purchasing and supporting multiple systems for different applications.

Wide temperature range

Designed to operate across a wide temperature ranges ensures operation in virtually all environments of the warehouse, including -4°F/-20°C in freezers (-22°F/-30°C when using freezer pouch).

Secure WLAN communications

Robust support for the latest security protocols keeps your data safe.

2.8" color QVGA display with backlight

Excellent at-a-glance readability in nearly any lighting condition.

Supports Motorola Solutions' RhoMobile best-in-class operation system-agnostic applications

Integrated support for RhoMobile applications allows easy and cost-effective development and deployment of a single application version that runs on practically any device, regardless of operating system or screen size.

Main specifications:

Display

Display diagonal:	2.8 "
Display resolution:	320 x 240 pixels
Touchscreen:	N

Display:	TFT
Memory	
Internal memory:	512 MB
Internal memory type:	RAM
Compatible memory cards:	Not supported
Flash memory:	2048 MB
Processor	
Processor frequency:	1 MHz
Processor family:	Instruments OMAP
Processor manufacturer:	Texas Instruments
Built-in processor:	OMAP 4
GPS Performance	
GPS (satellite):	N
Software	
Operating system installed:	Windows Embedded Compact CE 7.0
Wireless LAN features	
Wi-Fi:	Y
Wi-Fi standards:	802.11a,802.11b,802.11g,802.11n
Data transmission	
Bluetooth:	Y
Data network:	Not supported
Bluetooth version:	2.1+EDR
Camera	
Built-in camera:	N
Audio	
Built-in microphone:	Y
Ports & interfaces	
USB 2.0 ports quantity:	1
Operational conditions	
Storage temperature (T-T):	-40 - 70 °C
Operating relative humidity (H-H):	5 - 95 %
Operating temperature (T-T):	-20 - 50 °C
Power	
Battery capacity:	4600 mAh
Battery technology:	Lithium-Ion (Li-Ion)
Weight & dimensions	
Weight:	369.8 g
Width:	93 mm
Depth:	26 mm
Height:	142 mm
Technical details	
Colour of product:	Black
Phone function:	N
RFID reader:	N
Keyboard layout:	Alphanumeric
International Protection (IP) code:	IP54
Barcode reader:	N
