Convenient

Around-the-Neck Design

The lightweight Flex Arc earbuds sit comfortably around your neck with nothing pulling you down. Your earbuds stay in place so one-bud listening is easy, and the controls are always within easy reach.

Convenience and style come together in this streamlined package that features Bluetooth, accessible built-in controls, and magnetic earbuds that stay in place when they're not in use.

- Bluetooth® 4.1: A premium CSR chip set lets you listen clearly up to 30 ft. from your device
- 8-Hour Rechargeable Battery: You get 8 hours of uninterrupted listening time
- Noise-Cancelling Tech: The mic with Qualcomm CVC noise cancellation technology blocks outside noise and amplifies your voice so you come through loud and clear
- Lightweight 8mm Drivers: You get quality sound in a comfortable, lightweight package
- Stylish, Convenient Design: The clean, balanced look and design means your earbuds are always within reach
- Simple, Built-in Controls: You've got easy access to music and calls with just the touch of a button
- Magnetic Earbuds: Keep your earbuds securely in place when you're not using them
- Sweat Resistant: The IPX-2 water-resistant rating means your Flex Force earbuds can weather the toughest workout
